

Headteacher

What an amazing term we have had!

Wow, we have enjoyed so many amazing performances over the last week and still some to come! It is obvious that both the children and the staff have worked extremely hard and their efforts certainly paid off, I'm sure you are all very proud of them. It has been a really 'festive' couple of weeks and it has certainly got me into the Christmas mood with only 10 more sleeps to go!

The school continued on its journey of improvement this term and the progress the children have made has been excellent so it only seems right to thank the staff for their continued commitment as well as reinforcing my appreciation for the support you have shown the school and your children over the last term.

Finally, I must thank the children for working hard, showing super effort and determination with their learning as well as their behaviour which has been exemplary at all times, they are truly 'smart campers' and certainly deserve a wonderful Christmas!

I would like to wish parents, staff and most importantly the children; A Merry Christmas. I hope you all enjoy your time together and Santa brings everything you wish for!
