Dear Parents/Guardians,

I write to you once again as Chair of the school's Local Governing Board.

My last letter to you all was written to you as we were coming up to Christmas, now we are coming up to Easter, where has the time gone?

It has been another busy term at Palmers Cross and I know everyone is looking forward to a well-earned rest, let's hope the weather improves. Once again we have a great deal to be proud of and thankful for at Palmers Cross and I am sure that you would like to join me and the Governing Board in thanking Mr Grayson, Mrs Dollery, members of the Senior Leadership Team, Teaching Staff and Non-Teaching Staff for their continued hard work and commitment to the children during this term. Our dedicated team in whatever role they do, have put so much into making the school what it is, and for providing the very best education and support for each and every child. I will never cease to be amazed by the hard work of everyone concerned - thank you all.

To all the pupils of the school, thank you for your excellent behaviour and all your hard work, very well done for what you have achieved, we are proud of each and every one of you. Every time I visit school I am very proud of your behaviour, manners and politeness, you are all a credit to the school. You as parents/guardians have every reason to be proud of each of them.

During this term the Governing Board have had two meetings. We have amongst other things looked at the school budget, the school improvement plan as well as numerous school policies. We have also received reports on the curriculum and school data. Governors have also visited school to monitor Safeguarding, SEND, Pupil Premium as well as Sports Premium.

As Parents/Guardians you have an important role in supporting your children at home and this helps greatly in their learning in school. I would like to thank you all for your continued commitment and support that you all show to Palmers Cross, it is very much appreciated. The Governing Board looks forward to working in partnership with you next term and beyond, in helping the school to greater success as we continue our journey that allows all of our children to reach their full potential.

Very good communication is vital to our school and we are constantly striving to make it as easy as possible to stay in touch. I therefore hope that you all are finding our impressive school website very useful as it is an excellent source of information covering all aspects of school life. I would like to thank Mr Walmsley for building the website to our design and Mrs Humpherson, Mrs Harper and Mr Sidhu for its maintenance, thank you for your excellent work.

Finally, as Chair of Governors, it has been brought to my attention that we have received a number of complaints from local residents regarding parking in front of resident's driveways, either partially or completely blocking their driveways. I would be grateful if you could not obstruct resident's driveways when dropping and collecting your children, thank you for your understanding and support regarding this issue. Thank you also to pupils in year 5 who have been monitoring the parking outside school.

On behalf of the Governing Board, may I wish you all a Happy Easter

Kindest regards,

Derek Brown
