Chief Executive Officer: Mr K Grayson

Associate Headteacher: Mrs L Dollery

13th March 2020

Message from the Chief Executive Officer

I understand that many of you are increasingly concerned regarding the increase in reported cases of Coronavirus, COVID – 19. You will be aware also that there have been further announcements from the Government yesterday. The advice continues to be that schools should remain open. All schools in our Trust will be following that advice.

We have reported to you how we have increased access to soap for hand washing and incorporated this into our school day. There is also other hygiene measures taken in all our schools.

Government also advises that any pupil or adult who has been diagnosed with the virus or shows symptoms of 'a new' cough should self-isolate and should not be in school.

Should Government advice change I can assure you, we will contact you as soon as possible and give details about any future plans.

We have also agreed to **postpone or cancel any additional events and gatherings** that involve adults during or outside the school day. Your child's school will offer advice about particular events that may require a change.

You may wish to visit the Government website;

www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response

Thank you for your continued support at this difficult time.

Kevin Grayson
Chief Executive
Elston Hall Multi-Academy Trust
