Dear Parents/Carers,

I write to you once again as a very proud Chair of Palmers Cross Primary School's Local Governing Board. I am often asked why I became a Governor of the school. Well my answer can now be; for times like this, as following our recent very successful inspection we are now in the eyes of Ofsted - "A GOOD SCHOOL".

In light of historic events, this is a tremendous achievement and it is one that the school community richly deserves. I am thrilled that the Inspectors recognised the tireless hard work, dedication and diligent professionalism that occurs across our school and it is most gratifying to read that "Pupils make good progress throughout the school and that their behaviour is excellent". Pupils are overwhelmingly positive about life in school and are well cared for and feel safe.

Becoming part of Elston Hall MAT was a positive move for Palmers Cross and I will take this opportunity to thank the Trustees, the entire Trust Leadership Team and of course our staff at Palmers Cross for their excellent hard work and effort in helping us achieve this extremely positive outcome, it is sincerely appreciated - thank you.

I would also like to congratulate all members of staff for their determination to provide the very best teaching and learning opportunities for all our pupils without ever losing sight of the caring and supportive ethos that makes our school's learning environment so rich.

A massive thank to you each of you, our parents and carers, to those who remained supportive throughout and also to those who have joined us on our journey, we are so pleased that you did, I can't thank you enough. Of course these thanks and congratulations extend to the children. Their excellent behaviour, manners, politeness and all the hard work they put in; a big well done for what you have achieved, we are so proud of each and every one of you.

Finally, I must thank my fellow Governors for their excellent support throughout the last three years. The board has grown from strength to strength, Governors have all understood the importance of their role in challenging the Leaders of the school, ensuring that the school continues to succeed, thank you.

Please feel free to contact Miss Collett or myself via school if you wish to discuss any aspects of the report further. I will also be available if any of you wish to speak to me at the forthcoming Parents' Evenings on the 2nd and 3rd of April, or please just come and say "Hello".

Our "GOOD" judgement will not bring a hint of complacency and we will continue to share our desire for further improvement - the journey will continue.

Please enjoy this very successful period for our school, the outcomes are richly deserved, I certainly will!

Thank you in anticipation of your continued support,

Kindest regards,

Derek Brown
Chair of the Local Governing Board
