Dear *Sunita*

I thought I would write to you to say how pleased I was that Palmers Cross Primary School was recognised as a 'Good' school at your recent inspection. Please accept congratulations from me on behalf of the City of Wolverhampton Council. I would also be grateful if you would pass on my best wishes to all staff and the Governing Body for their hard work and the difference that their contributions are making in improving children's lives.

Inspectors found that the strengthened leadership team has ensured that the; curriculum, quality of teaching and pupils behaviour have all improved leading to raised expectations and academic standards. The Head of School has provide good leadership that has established a welcoming, calm purposeful school where the children are confident, responsible learners who strive to do their best.

Inspectors also recognised that 'Pupils study a full and appropriate curriculum. In pupils' books and on classroom walls, there is plenty of recent work across a wide range of subjects. The sequence of learning in English, mathematics and science is well-organised and ensures that pupils cover everything they need to know before moving up to secondary school.'

Once again, congratulations to all involved at Palmers Cross Primary School. I look forward to hearing about the school's next endeavours and wish you every success for the future.

Yours sincerely
