### Additional Provision

Dear Parents/Carers,

We are looking forward to hopefully welcoming back some of our children following the government's announcement that pupils from YR, Y1 and Y6 should return to school 'at the earliest' from the 1<sup>st</sup> June. We know also that Nursery was part of this expectation to return however with your permission we will allow ourselves an initial period for the other year groups before we move to arrangements for Nursery.

However, please can we reassure you that our existing daily arrangements for children of key workers, those with a social worker or EHCP will continue but this provision will now return to your **child's own school** each day from Monday 1<sup>st</sup> June. From this point, the expectation will also be that children return to school wearing school uniform. If pupils are from Reception, Year 1 and Year 6 they will also be integrated into their own year groups on the days they have been designated.

Please can we ask that you still update the school each week with the daily provision you will be requiring for the following week. This will enable each school to ensure staffing levels are accurate and the activities prepared are suitable.

All children will need to be dropped off and collected via the main entrance of your child's own school. Please refer to the times below as they may have changed slightly compared to your child's normal school day due to us trying to 'stagger' the number of adults on the school grounds so social distancing guidelines can be adhered to.

Drop off times are as follows:

School	Arrival	Collection
Elston Hall Primary School	9.00am	3.00pm
Palmers Cross Primary School	9.00am	3.00pm
Edward the Elder Primary School	9.00am	3.00pm
Goldthorn Park Primary School	9.00am	3.00pm

Thank you for your continued support during these difficult times. Please stay safe.

Yours sincerely,

Kevin Grayson

(Chief Executive Officer)
