SPRING TERM 2021

Friday 12th February 2021

PALMERS CROSS
Primary School

Dear Families,

It has been a very strange start to the year and a very different spring half term. Staff across school have been working extremely hard to plan and provide remote learning as well as being in school. Teams meetings and lessons have been working really well and have been well attended. I hope that this continues into the second half of the spring term. I would like to say a big thank you to all the pupils and parents who have been working really hard each day on their home learning tasks. I know that is not easy and trying to juggle work and home life is hard. School is always here for you.

I am keeping my fingers crossed that an announcement will come soon to enable schools to begin planning for all our pupils to return to school. All the staff have missed seeing pupils face to face in their classrooms.

Finally, everyone at Palmers Cross would like to wish Miss Garrington all the best in her new job at Westcroft School.
