Dear Parents and Carers,

As families are aware schools are facing big challenges ensuring the safety of all pupils and staff, at the same time as providing excellent teaching and learning for children.

The additional pressures school are facing due to Covid-19 means that staff within schools are unable to have the flexibility to cover classes, in the light of staff absences.

We are very much aware of the need to ensure we limit staff crossing bubbles in order to deliver lessons across the school. Unfortunately, the current circumstances at Palmers Cross means that we are unable to provide the adequate staffing within our Reception classroom. Therefore, from the end of today, Reception will close until Monday 28th September 2020. We are hoping at this point, all staff will be able to return to school and Reception will be welcomed back.

Reception children will receive daily home learning via email, please can families ensure school has an up to date email address. If you haven't got an email address, then please contact the school office and school will provide a learning pack to take home.

Please can we reassure you that there have been no positive cases of Covid-19 reported within this classroom, the closure is due to staffing issues.

We apologise for any inconvenience this may cause and we appreciate your support during this difficult period.

Kind regards,

Mrs R Wood
Head of School
