

Nursery Curriculum Overview

Autumn Term One

Below is an overview of the things your child will be learning in nursery this half term so that you can continue to support your child's development at home. In addition to this overview your child will also be focusing on the topic 'All About Me' where they will be learning about different families, naming common parts of the body and sharing what they like and don't like.

Show and tell will take place each Friday. Please ensure your child brings into school an item related to the weekly theme to talk about with their friends.

PE will take place on a Tuesday. Please ensure your child's PE kit is in school and that jewellery is not worn.

As learning will take place both indoors and outdoors, please ensure that your child has wellies and a waterproof coat in school each day.

Week Beginning	Phonics	Maths	Story focus	Show and Tell focus
10.09.18	Settling in Routines and Expectations		Children's choice	Something from the summer holidays
