

# Nursery Curriculum Overview

## Spring Term One

Below is an overview of the things your child will be learning in Nursery this half term so that you can continue to support your child's development at home.

In addition to this overview your child will also be focusing on the topic 'Transport' where they will be learning about different forms of transport, how they are used and discovering movement in different ways.

For health and safety reasons during the current climate, our Friday show and tell has been replaced with a chatter-bag which will be objects provided within Nursery for the children to talk about linked to the given weekly theme.

PE will take place on a Friday. Please ensure your child's PE kit is in school and that jewellery is not worn.

As learning will take place both indoors and outdoors, please ensure that your child has wellies and a waterproof coat in school each day.

Week Beginning	Phonics	Maths	Story focus	Chatter-Bag focus
4.1.21	Rhythm & Rhyme	Number Recognition	The Train Ride	Wheels
11.1.21	Rhythm & Rhyme	Touch Counting	We're Going on a Lion Hunt	Travel
