

Class 7 Autumn Term 2018

Welcome to Class 7, where the Palmers Cross Learning Journey continues. We have an exciting year ahead and visits to look forward to.

Maths

As mathematicians in Class 7 we will be learning about place value, number, shape, multiplication, division, data handling and money. All children will work on these areas at the level appropriate for the individual children.

English

The children again will work at an appropriate level for them. We will be looking at sentence structure, verbally retelling stories, sequencing events, story writing and making predictions. Children will also work on their Speech and language targets during this time where appropriate. Children are encouraged to build sentences using the Colourful Semantics approach.

Science

As Scientists, this term we will be learning about parts of the body and healthy eating. Children will be tasting a variety of different healthy foods and making/cooking a variety of foods. We will then move on to looking at the seasons and hot and cold.

Computing

Our young digital learners will enjoy a range of technological lessons this year from e-safety to using the I pads for digital literacy and skills.

Religious Education

During RE, we will be looking at different religious festivals

Art

In Art, we will be looking at colour. We will be looking at primary colours and mixing them to make secondary colours. We will also look at using tools e.g. paintbrushes effectively to make different marks and making patterns.

P.E

In PE, the children will have two lessons a week. One lesson will be multi skills and team games the other being gymnastics or dance.

History

In History, the children will be learning about the Arctic explorer Robert Falcon Scott.

Geography

In Geography, the children will be learning about different places in England and around the world and comparing them. Children will learn through Barnaby Bear.

Music

As musicians, the children will be learning to sing songs about Harvest and Christmas and will be learning to accompany their songs with simple percussion instruments.

MFL

Our language journey continues as we learn basic words from the French language. We will be playing games, food tasting and celebrating other languages..
